Rulemaking 01-10-024

**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING MOTION TO FILE UPDATED INFORMATION**

On November 6, 2002, San Diego Gas & Electric Company (SDG&E) filed a motion for leave to file updated information regarding the draft Operating Agreement that the Commission is currently considering between SDG&E and the California Department of Water Resources (DWR). SDG&E indicated that additional agreement has been reached between SDG&E and DWR regarding the Operating Agreement and that it is in the Commission's interest to receive this information into the record, since it reflects a negotiated consensus on additional issues consistent with the direction provided by the Commission in Decision (D.) 02-09-053.

SDG&E urges the Commission to accept this filing and incorporate this information into the record of the proceeding so that the Commission will have the most complete basis on which to make a final decision regarding the Operating Agreements governing the utilities' administration of the DWR Power Purchase Contracts. SDG&E further requests that an opportunity for replies to its Motion be provided.

Good cause having been shown, this ruling grants SDG&E's motion for leave to file updated information regarding the draft Operating Agreement. Any

other parties seeking to supplement the record to reflect additional agreements reached subsequent to the October 23, 2002 filings should do so no later than 10 a.m. on November 7, 2002. All interested parties are provided an opportunity to comment on the updated information by November 8, 2002. Due to the compressed schedule, parties should serve their comments via e-mail in accordance with the protocols previously established in the proceeding.

IT IS RULED that:

1. The motion of San Diego Gas & Electric Company for leave to file updated information is granted.
2. Interested parties may file and serve comments on the updated information by November 8, 2002.

Dated November 8, 2002, at San Francisco, California.
